

**IVY LEAF REPORTER'S NOTE**

*Fall Is Coming!*

Greetings, Sorors! I'm excited and honored to introduce to you the return of the refreshed Iota Mu Chapter Newsletter, Inside Iota Mu. Inside Iota Mu will be curated by Sorors Rahel, Nasya, and I and distributed after the first chapter meeting of every month.

As fall approaches and the semester ramps up, I want to ensure you all have a readily accessible document of what is going on with regard to our Illustrious Chapter. You can come here to find important upcoming dates & birthdays, our Soror Spotlight of the month, and our random act of sisterliness challenge!

Fall comes with cooler weather and warm sweaters, but we can't forget the midterms that tag along. Remember to take care of yourselves, Sorors. I encourage you to establish an effective midterm and study schedule now so you don't find yourself racing against the clock at the wee hours of the morning before an exam. I believe you all will succeed!

Sisterly,  
Soror Sydney Reede
